

ITIL 4 SPECIALIST: DRIVE STAKEHOLDER VALUE

Course Code: 100438

Learn to manage the engagement and interaction between a service provider and their customers, users, suppliers and partners. It focuses on the conversion of demand into value via IT enabled services.

This course provides those IT leaders, practitioners and support staff who already hold the ITIL 4 foundation qualification with an understanding of all types of engagement and interactions between a service provider and their customers, users, suppliers and partners, including key CX, UX and journey mapping concepts. The course is based on the ITIL 4 best practice service value system featured in the latest guidelines.

As part of this course, all candidates will receive an exam voucher for the ITIL Specialist: Drive Stakeholder Value exam through Peoplecert. As of February 1, 2022, all exams will be administered in an online proctored format only. Exams can be scheduled at www.peoplecert.org.
