

# ITIL® 4 STRATEGIST: DIRECT, PLAN AND IMPROVE

Course Code: 100440

This course provides IT leaders, practitioners and support staff with an understanding of all types of engagement and interactions between a service provider and their customers, users, suppliers and partners.

This course provides IT leaders, practitioners and support staff with the practical skills necessary to create a 'learning and improving' IT organization, with a strong and effective strategic direction. It provides practitioners with a practical and strategic method for planning and delivering continual improvement with the necessary agility. The course is based on the ITIL 4 best practice service value system featured in the latest guidelines.

As part of this course, all candidates will receive an exam voucher for the ITIL Strategist: Direct, Plan and Improve exam through Peoplecert. As of February 1, 2022, all exams will be administered in an online proctored format only. Exams can be scheduled at [www.peoplecert.org](http://www.peoplecert.org).
