

CISCO PLATINUM LEARNING LIBRARY: SECURITY PREMIER BUNDLE

Course Code: 100516

This collection features the entire portfolio of Cisco Security technology and career certification training courses.

The *Cisco Premier Certification Collection: Security* is your complete solution for Cisco certification success. With unlimited classroom and on-demand training access, you'll have all the resources needed to enhance your exam preparation and achieve your Cisco certification goals.

The *Cisco Premier Certification Collection: Security* bundle allows you to maximize your training budget by saving on multi-course certification tracks. With 12 months of unlimited access, you can focus on mastering Cisco security certifications and technologies.

[Terms and conditions](#) apply.

What You'll Learn

The Cisco Premier Certification Collection: Security includes full-length, interactive certification courses, additional product and technology training with labs, and thousands of reference materials.

What's included:

- Unlimited access to the entire portfolio of Cisco Security instructor-led and on-demand courses for 12 months
- Over 350 hours of instruction and labs
- Access to all course updates and additions during your subscription period

You will receive access to these study tools:

- Topic videos, including slides and a whiteboard to illustrate important fundamentals from a specific topic or subtopic
- Search, which lets students go through all the instruction guides, as well as transcripts of videos
- Lab recordings, which let students see how other students performed in labs, to improve peer learning
- Labs-at-a-glance, showing each student's complete and incomplete labs, so they can track progress and make improvements

- Compatibility with tablets, so students can learn wherever they go
- Synchronized learning on multiple devices, so students can switch between a laptop and a tablet without losing their place
- Gamification, with achievement badges and medals awarded for mastering content and study techniques
- Leaderboard, indicating how the top 10 students rank, to add a friendly, competitive element
- Bookmarking, which lets students flag and add notes to important concepts or areas they want to review
- Glossary that can be easily browsed, with important terms highlighted Social media links, so students can share their progress on Facebook, LinkedIn, or Twitter
- Certificate of completion awarded to all students who finish each course

Who Needs to Attend

- Technology professionals pursuing or interested in pursuing Cisco certifications
- Technology professionals pursuing or interested in pursuing Cisco technology skills and expertise
- New and aspiring technology professionals who wish to gain Cisco skills, expertise, and certifications
- Experienced technology professionals looking to gain additional Cisco skills, expertise and certifications

Prerequisites

Prerequisites vary by course. Please review details for each course to learn about prerequisites and other course-specific information.
