

COBIT 2019 FOUNDATION

Course Code: 100740

Effective governance over information and technology is critical to business success, and this new release further cements COBIT's continuing role as an important driver of innovation and business transformation.

Over the years, best-practice frameworks have been developed and promoted to assist in the process of understanding, designing and implementing enterprise governance of IT (EGIT). COBIT® 2019 builds on and integrates more than 25 years of development in this field, not only incorporating new insights from science, but also operationalizing these insights as practice.

Accredited COBIT® 2019 Foundation training is provided by Ahead Technology Inc., an APMG-Accredited Training Organization. Global Knowledge is a Reseller of Ahead Technology Inc.
