

ADVANCED INTERPERSONAL COMMUNICATION

Course Code: 100960

Take your communication skills to the next level.

This dynamic full-day instructor-led class includes advanced communication skills, such as identifying communication styles and communicating verbally and non verbally. Also learn to identify the components of a first impression, as well as how to build rapport and build positive relationships. Further, you will learn how to utilize paraphrasing, provide positive and constructive feedback and present ideas and negotiations to supervisors. This class will also focus on responding to customer complaints, as well as identifying and working within the organizational culture.

What You'll Learn

- Give good first impressions, build rapport, and build positive relationships.
- Build relationships through feedback.
- Identify supervisor roles and handle human resource issues.
- Communicate with colleagues and subordinates.
- Communicate with customers and vendors.
- Identify cultural networks, manage physical culture, and manage emotional culture.

Who Needs to Attend

All professionals who wish to further develop their communication skills.

Prerequisites

Any basic communication course or training.
