

SHARPEN YOUR LEADERSHIP EDGE: COMPETENCIES FOR THE MODERN LEADER

Course Code: 100965

Develop the critical competencies needed to lead with confidence, agility, and impact in today's evolving workplace.

Today's leaders are expected to do more than manage—they must adapt, influence, and inspire in a rapidly changing environment. From navigating uncertainty to leading diverse teams, modern leadership requires a blend of strategic thinking, emotional intelligence, and strong communication skills. This course focuses on the essential competencies leaders need to succeed in today's workplace.

You will explore key leadership capabilities that drive performance and engagement, including communication, adaptability, decision-making, and influence. Through practical application and real-world scenarios, this course helps leaders strengthen their effectiveness, enhance their leadership presence, and build the skills needed to lead with confidence and impact.

What You'll Learn

By the end of this course, you will be able to:

- Identify the core competencies of effective modern leadership
- Demonstrate adaptability and resilience in changing environments
- Communicate clearly and influence others with confidence
- Build trust and credibility with team members
- Apply emotional intelligence to strengthen relationships
- Make informed decisions in complex situations
- Lead teams with clarity, accountability, and engagement

Who Needs to Attend

- Managers and team leaders
- Emerging leaders and high-potential employees
- Supervisors
- Project managers
- Professionals preparing for leadership roles

Prerequisites

Some experience working in a team or leadership environment is beneficial
