- Red Hat Online Learning and video classroom courses (developer courses only)
- Early Access courses
- 100 hours of lab time
- 10 e-book downloads
- Learning paths
- 3 developer certification exam attempts including retakes

****The fine print so there are no surprises**** - Each subscription is a non-transferable to peer, non-refundable product and will begin upon the date of purchase for 12 months.

We think you will be pleased beyond measure with this product and if you aren't, let us know how we can fix that.

Contact your Training Advisor or call 1-800-COURSES to learn more. Happy Training!

Who Needs to Attend

Any learner who needs access to Red Hat courses, labs, and other features online, at their own pace—allowing them to learn wherever they are!

RED HAT LEARNING SUBSCRIPTION - FREE TRIAL

Course Code: 108888

ON-DEMAND

\$0 USD

On-Demand Outline

This course will provide you a 7 day free trial of the Red Hat Learning Subscription. Here's a little more information about the yearly subscription when you're ready to dive in!

RED HAT TRAINING IS IN DEMAND

Demand for trained and certified Red Hat® technical professionals is growing. To stay competitive in a global, fast-paced job market, you have to keep up-to-date on emerging technologies and ensure your skills are relevant.

Red Hat Learning Subscription helps you maintain your skills and gain knowledge with fast, easy access to training on the entire portfolio of Red Hat products and technologies. Red Hat Learning Subscription provides Red Hat training using a dynamic, online learning platform of video classroom courses, e-books, hands-on labs, and more — delivered on demand, at your own pace, 24x7, and worldwide in up to nine languages.

Meet business and training needs by building you own learning path. An interactive, intuitive learning interface helps you track your progress toward your training and certification goals.

LEARN FROM HIGH-QUALITY, HANDS-ON TRAINING

Red Hat® Learning Subscription is an exclusive program that provides you with one year's access to all Red Hat Online Learning courses. The [Red Hat Learning Subscription- Basic \(LS120\)](#) will provide unlimited access to our online learning content, up to 400 hours of hands-on lab time, more than 300 recorded instructor videos, high definition expert video seminars, online Instructor office hours. Included in the [Red Hat Learning Subscription- Standard \(LS220\)](#), you'll get all that's in the RHLS- Basic, PLUS access to 5 Certification exams and up to 2 retakes!

With the subscription, you can learn about core Red Hat technologies such as Red Hat Enterprise Linux® and Red Hat JBoss® Middleware. Explore emerging technologies such as Red Hat Enterprise Linux OpenStack® Platform, cloud computing, and DevOps' OpenShift Enterprise by Red Hat. Or, prepare for your Red Hat Certified System Administrator (RHCSA), Red Hat Certified Engineer (RHCE®), and other certifications.

Now you have the flexibility to take training in your own time and at your own pace. If you're a manager looking to improve the skills of your team, RHLS is the perfect solution for the frustrations of traditional training, saving you time, energy, and budget.

FEATURE BENEFITS

- No need to take your team out of the datacenter to train
- Micro-learning—employees can train in small, targeted chunks whenever they have time
- RHLS - Standard subscription will be your technology library (reference guide to Red Hat technologies throughout to the year)
- Self-paced learning, complete certification and continuing education on your schedule.
- Learn new Red Hat technologies before the project
- Hands-on labs Experiment with the latest versions of Red Hat software in a controlled environment.
- Easy to budget; all training on one PO
- Single, annual subscription Plan for training expenses with a predictable annual subscription.
- High-quality content Access our entire online training library.
- When new courses have version updates, you get access to the new training content
