

ITIL® 4 FOUNDATION BRIDGE

Course Code: 111111

Bridge your ITIL® v3 Foundation certification to ITIL 4 Foundation with the world's number 1 ITIL training provider.

The ITIL4 Foundation Bridge course is what professionals with ITILv3 Foundation certification need in order to understand the changes from ITILv3 to ITIL4, prepare for, and pass the ITIL4 Foundation certification exam.

This course provides IT leaders, practitioners, support staff and staff interfacing with the organization's digital and information systems functions with a practical understanding of the key concepts, common language, principles and practices that enables successful management of modern IT-enabled services. It also prepares delegates for the ITIL Foundation Certificate Examination.

Exam voucher included!
