

AMA2115: RESPONDING TO CONFLICT: STRATEGIES FOR IMPROVED COMMUNICATION

Course Code: 2572

Gain essential conflict management skills so conflict won't manage you!

Conflict is all around us, especially during tough business periods where resources are tight and tempers are shorter, but most people lack basic conflict management skills. Rather than react to conflict on a purely emotional level, learn to manage disputes and disagreements positively and proactively.

With this conflict management training, you will learn to recognize the causes of interpersonal conflict, and you will become aware of your emotional triggers to prevent explosive situations. You will learn new strategies of conflict management that will improve your communication performance and, ultimately, increase the success of your business initiatives.

What You'll Learn

- A new understanding of conflict
- Your own conflict patterns
- Improve your listening and communication skills
- How to read conflicts by developing a conflict map
- Effective methods of intervention and conflict management

Who Needs to Attend

Business professionals who want to expand their conflict management skills, understand their emotions and behaviors when addressing conflict, and find productive ways to manage conflict
