

# YOUR ROLE AS AN ORGANIZATIONAL CHANGE AGENT

Course Code: 2931

Increase your impact as you effectively manage change initiatives.

Much of the success of your project ultimately hinges on the end product being adopted by the organization. Adoption requires change, and changing organizational behavior can be difficult. In this short course, you will learn about organizational change and the role of project manager as change agent, which will help improve your ability to effect change and lead projects to success.

Virtual short courses do not include materials or headsets.
