

EXAM PREP BUNDLE: 70-487: DEVELOPING MICROSOFT AZURE AND WEB SERVICES

Course Code: 4957

Validate your expertise and build your career with an Azure certification.

This Global Knowledge exclusive exam prep bundle has been designed to help you best prepare for a Microsoft Certified Professional (MCP) certification in Azure. You will receive an exam voucher for the 70-487: Developing Microsoft Azure and Web Services exam, as well as access to Microsoft Official Practice Tests, powered by Transcender. You will have 12 months exclusive access to over 170 practice questions, including access to pre and post assessments that help identify any information gaps and which areas to focus and practice on the most.

Note: If you have limited Azure experience and are interested in purchasing this bundle, we highly encourage you to also enroll in the [Developing Windows Azure and Web Services](#) course.

Who Needs to Attend

This exam prep bundle is intended for developers with a minimum of three to five years of experience developing Web Services, including one or more years developing Web API and Azure solutions.
