- Certificate of completion awarded to all students who finish each course

What You'll Learn

Training your workforce on the latest Cisco collaboration technologies just got more convenient and impactful - with the *Cisco Platinum Learning Library: Data Center*. Students gain the learning effectiveness of the classroom without the classroom - learning the way they want from their desktop or laptop, through a single, integrated browser window.

The *Cisco Platinum Learning Library: Data Center* is self-paced and modular, with course material broken up into sections so it's easily consumable. That way, students can learn whenever they have an extra few minutes. And it benefits students in many ways, as it's:

Effective: Covers multiple learning techniques, with HD instructor-led video, searchable transcripts, and a full Student Guide textbook

Interactive: Offers engaging Discovery Labs for hands-on learning, plus graded challenge assignments to measure progress

Flexible: Increases learning convenience, as students can work at their own pace, anytime, anywhere

Integrated: Provides everything in one place; no multiple systems to log into

Unrivaled: Gives you the benefits of Cisco expertise, based on years of unmatched learning and certification experience

Who Needs to Attend

- Technology professionals pursuing or interested in pursuing Cisco certifications
- Technology professionals pursuing or interested in pursuing Cisco technology skills and expertise
- New and aspiring technology professionals who wish to gain Cisco skills, expertise, and certifications
- Experienced technology professionals looking to gain additional Cisco skills, expertise and certifications
