

# BEHAVIORAL INTERVIEWING TRAINING

Course Code: 821206

Make the right hiring decisions with confidence using the latest techniques in competency-based behavioral interviewing.

This is a dynamic, interactive training course that gives you the skills to make the best hiring decisions - and avoid costly blunders. You will learn competency-based behavioral interviewing; using the accepted opinion that past and present behavior is the best forecaster of future performance. Whether you've performed 100 interviews or you are new to the interviewing world, the Behavioral Interviewing training course will give you knowledge and tools to use immediately in your next interview. The outcome? You'll have better interviewing skills which lead to better hires and a competitive edge for your organization.

## What You'll Learn

In the Behavioral Interviewing Training course, you will learn how to:

Successful completion of this course will increase your ability to:

- Use competencies to develop behavioral-based questions.
- Recognize the characteristics of and effectively develop behavioral-based questions.
- Explore useful techniques for reviewing resumes.
