

QUALITY CUSTOMER SERVICE TRAINING

Course Code: 821207

Discover how to handle customers in a way that builds a foundation of trust and positive feedback.

This instructor-led Quality Customer Service Training course helps both employees and managers improve their attitudes about customer service in five critical areas:

1. Having a positive attitude toward customers
2. Encouraging customer feedback
3. Responding to customer problems
4. Developing long term relationships
5. Seeking to exceed customer expectations

Whether your customer is across the country or across the hall, understanding and meeting their needs is the first and last step to success. External customers drive sales and growth. Internal customers are the key to efficiency and profitability. Discover how the Quality Customer Service Training course helps you to contribute to the success of our organization by winning over customers with superior products and delivering outstanding customer service.

What You'll Learn

Upon successful completion of the Quality Customer Service Training course, you will be able to:

- Explore the concepts and benefits of extraordinary customer service
- Set extraordinary customer service standards for your area
- Identify ways of building customer rapport
- Improve your listening skills
- Take control of every call
- Say “no” in a positive way
- Remain calm when the customer is upset
- Cool down a hot customer
- Implement strategies to avoid burnout

Who Needs to Attend

Anyone in a service role who would like to manage their customer's expectations with an always-positive attitude, and learn the steps to turning angry customers into long-term clients,
