

# MOTIVATING EMPLOYEES TO BE THEIR BEST

Course Code: 821210

Gain an understanding of what makes employees happy, how to motivate through empowerment and the five steps to success.

This course focuses on providing the skills and techniques you will need to help groups develop a sense of community, to acquire influence over their work-related actions, and to enjoy the openness of shared information and feelings.

The three elements of this type of climate are Community, Influence and Openness. You will gain an understanding of what makes employees happy, how to motivate through empowerment, five steps to success, and how to put their new knowledge to work in their area.

## What You'll Learn

- Identify major factors that affect motivation
- Apply dialog and listening skills that model community, influence, and openness
- Take specific actions to foster trust within a group
- Model the concept of accountability
- Identify inhibitors to fostering group commitment and passion

## Who Needs to Attend

Leaders, managers and coordinators who would like to learn how to apply effective methods of employee motivation in the workplace.
