

SALES SKILLS: BASIC THROUGH ADVANCED

Course Code: 821213

This dynamic course gives you an opportunity to take an active role in customer-focused selling, as well as action strategies that will make your customers excited for the close.

This 2-day dynamic instructor-led Sales Skills: Basic Through Advanced Training course gives learners an opportunity to take an active role in their learning with self-reflection and measurement, and then shifts the focus to the buyer with an exploration of customer-focused selling and decision-making patterns, and then provides action strategies and planning.

In the Sales Skills Basic Through Advanced Training course, you will also learn how to build relationships with clients, and identify and satisfy their needs. Next, you'll use sales strategies to analyze the market and your competitors, and research your clients. You will also develop a winning strategy and solutions for your clients. Finally, you will finalize a sale by demonstrating the benefits of your product or service to your clients, confirm the client's commitment, and close the sale and follow up with the client.
