

EFFECTIVE TEAM MEETINGS

Course Code: 821250

Learn about planning, facilitating, and conducting successful meetings.

This one-day instructor-led Effective Team Meetings Training course teaches you about planning, facilitating, and conducting successful meetings. You will learn how to establish the purpose and agenda of a meeting, facilitate participants' progress toward the meeting goals, improve their leadership abilities, facilitate situation analysis, brainstorm and make decisions, foster creative thinking and manage conflict among meeting participants. Interactive course activities also cover building a positive climate during a meeting and following best practices of verbal and non verbal communication.
