

# MICROSOFT EXCEL 365: PART 3

Course Code: 821474

By the end of this course, users should be comfortable in both the online and desktop environments, using automating functions, analyzing and presenting data, auditing and error checking your work, working in multiple workbooks, and accessing and distributing data.

Welcome to the third part of our Microsoft 365 Excel courseware. Excel is Microsoft's powerful and easy-to-use spreadsheet program. This new version of Excel incorporates some new features and connectivity to make collaboration and production as easy as possible.

**Most of the features Microsoft incorporated in [Office 2019](#) already exist in Office 365. Office 365 is a great solution for those looking for Office 2019 Training.**

## What You'll Learn
