Course Code: 821480

By the end of this course, users should be comfortable creating a new OneNote notebook, entering information into OneNote from a variety of sources, and using OneNote's collaboration tools.

Welcome to our Microsoft OneNote Online courseware. OneNote Online is Microsoft's cloud-based note-taking and organizational application. OneNote Online includes familiar Office features (such as the ability to add different types of content to a notebook), as well as unique note-taking options, such as handwriting and inking features).

Most of the features Microsoft incorporated in [Office 2019](#) already exist in Office 365. Office 365 is a great solution for those looking for Office 2019 Training.
