

MICROSOFT OUTLOOK 365: PART 1

Course Code: 821481

By the end of this course, users should be comfortable with using and customizing the Outlook 365 interface, creating and sending messages, managing contacts, using the calendar, managing tasks, and working with notes.

This new version of Outlook incorporates some new features that will help make managing your email and personal information easier than ever.

This course is intended to help all novice computer users get up to speed with Outlook quickly. This manual will also help more experienced users who have little to no experience with Outlook and the ribbon interface.

Most of the features Microsoft incorporated in [Office 2019](#) already exist in Office 365. Office 365 is a great solution for those looking for Office 2019 Training.
