

PRESENTATION VS FACILITATION

Course Code: 831179

Learn the Power of Influence: Presentation & Facilitation Mastery in One Day!

Are you ready to captivate any audience—whether in the boardroom or online? Join our immersive, high-energy 1-day workshop designed for professionals who want to stand out as both presenters and facilitators. You will be able to understand the difference between presenting and facilitating a situation or an experience. Discover the secrets to commanding attention, building instant rapport, and delivering your message with clarity and confidence.

In this hands-on session, you'll:

- Master the art of both presenting and facilitating and know when to use each for maximum impact.
- Build a powerful toolkit for delivery—body language, voice, and presence—that makes your message unforgettable.
- Learn frameworks to structure your ideas simply and logically, even when tackling complex topics.
- Engage distracted or unmotivated audiences with proven techniques that spark participation and collaboration.
- Transform your slides and documents into clear, audience-focused communication tools.
- Handle tough questions with poise and credibility.
- Practice facilitation best practices for meetings of all types—updates, brainstorming, public forums, and more.

This workshop focuses on two main areas: delivery and content. The goal is to ensure your delivery can make a connection and be effective. You will have the ability to facilitate with confidence.

With the use of innovative virtual tools combined with engaging real-time exercises, you will develop practical skills that empower you to influence, persuade, and inspire others, regardless of the environment. Whether you are presenting in person or facilitating a discussion online, these interactive methods ensure you are fully equipped to make a meaningful impact in any setting.

What You'll Learn

After completing the training, you will:

- Understand the difference between presenting and facilitating
- Enhance confidence and communication for effective presentations. Now

Communications
