

# COPILOT FOR MICROSOFT 365 USER ENABLEMENT SPECIALIST (MS-4007)

Course Code: 834051

Learn the knowledge and skills to drive enablement of Microsoft 365 Copilot across your organization.

Learn the knowledge and skills to drive enablement of Microsoft 365 Copilot across your organization. Explore effective strategies, including the Microsoft 365 Copilot user enablement framework to help you create and implement a robust adoption plan.

This course has been created by Microsoft as a "Bring Your Own Environment" course, allowing individuals to use their personal devices and settings. If a student wants to complete the hands-on activities, the individual must bring their own CoPilot environment. Otherwise, demonstrations and lectures will be conducted by the instructor.

## What You'll Learn

Students will learn to,

- Get started with Microsoft 365 Copilot
- MS-4007: Discover how to drive enablement of Microsoft 365 Copilot in your organization

## Who Needs to Attend

This course is designed for user enablement specialists, business leaders, managers, IT professionals, consultants, or anyone involved in the adoption of Microsoft Copilot 365 within their organization.
