

COPILOT FOR MICROSOFT 365 INTERACTIVE EXPERIENCE FOR EXECUTIVES (MS-4008)

Course Code: 834055

Discover how Microsoft 365 Copilot elevates workplace productivity and innovation.

This experience, tailored for the modern business leader, provides insights on crafting contextual prompts for Copilot and includes engaging use case exercises that showcase seamless integration into daily workflows.

This course has been created by Microsoft as a "Bring Your Own Environment" course, allowing individuals to use their personal devices and settings. If a student wants to complete the hands-on activities, the individual must bring their own CoPilot environment. Otherwise, demonstrations and lectures will be conducted by the instructor.

What You'll Learn

Students will learn how Microsoft 365 Copilot elevates workplace productivity and innovation

Who Needs to Attend
