

WORK SMARTER WITH AI (AI-3025)

Course Code: 834094

Get more done and unleash your creativity with Microsoft Copilot. In this learning path, you'll explore how to use Microsoft Copilot to help you research, find information, and generate effective content.

This course has been created by Microsoft as a "Bring Your Own Environment" course, allowing individuals to use their personal devices and settings. If a student wants to complete the hands-on activities, the individual must bring their own CoPilot environment. Otherwise, demonstrations and lectures will be conducted by the instructor.

Prerequisites

Familiarity with Microsoft productivity applications, like Word, Excel, Outlook, and PowerPoint.
